Reason for Hearing**

This is an application for a Premises Licence by Tower Garage Service Station Ltd.

This application has not been granted under Officers' delegated powers because representations have been received from members of the public on the basis that they are concerned that the licensing objectives may be compromised if the premises licence application were granted. These are relevant representations and the Council, as the licensing authority, must therefore hold a hearing to consider the representations made. A copy of the application form is attached to this report as Annex 1.

### 3. Matters for consideration

- 3.1 On 20 December 2024 an application was received from Tower Garage Service Station Ltd, for the grant of a Premises Licence under the Licensing Act 2003. The hours of operation requested on the licence application operating schedule are:

3.2 Hours premises are open to the public:

Monday to Sunday - 00.00hrs to 24.00hrs

3.3 Hours for late night refreshment

Monday to Sunday 23.00hrs to 05.00hrs

3.4 Hours for supply of alcohol:

Monday to Sunday - 00.00hrs to 24.00hrs

3.5 At Part 3 of the application that makes reference to the operating schedule, the applicant describes the premises as follows:

“This is a new ground floor food based Morrisons daily convenience store located on a forecourt serving local residents and workers and those from further afield including passing trade. Online / telephone orders will also be delivered and collected. The forecourt has been acquired by our clients and it is to be redeveloped under the Morrisons daily convenience format to produce a strong retail offer much as the several hundred licensed Morrisons. Forecourt stores across the country already trading.”

“The site will be operated by our clients who already own and operate other licensed convenience stores on their own forecourts and the off-licence facility is an important part of the service that such a store is now expected to provide. The DPS (Designated Premises Supervisor) will be responsible for training and authorising staff in the sale of alcohol with a full recorded training regime in place with 6 monthly refresher training and the DPS here will be varied to somebody who is in day to day to control of alcohol sales before any alcohol sales commence”

3.6 The application was duly advertised as required by law and the Council’s Licensing Unit received 22 valid letters or emails of objection and a petition against to the grant of the Premises Licence.

3.7 The applicant has stated that the name and details of the individual whom they wish to specify on the licence as the Designated Premises Supervisor (DPS) as being Mr. Christopher John Mitchener. The home address listed for the DPS is in Hampshire. Mr. Mitchener is the licensing agent of the applicant at today’s hearing.

As per 4.61 of the revised guidance issued under s182 Licensing Act 2003 (last updated Dec 2023)

‘4.61 Every premises licence that authorises the sale of alcohol must specify a DPS. This will normally be the person who has been given day to day responsibility for running the premises by the premises licence holder.’

#### **4. Human Rights Act 1998 Implications**

4.1 Article 6 of the Act provides that where a person’s civil rights and obligations are being determined, s/he is entitled to a “fair trial”. The Council complies with Article 6 in that it gives

the person the opportunity to state their case, will make a decision within a reasonable period of time and will give reasons for its decision.

- 4.2 The Article also provides for the issue to be determined by an independent tribunal. The right of appeal to the Magistrates' Court against the Council's decision fulfils this.
- 4.3 The Council observes the rules of natural justice, and its procedures are consistent with Article 6 of the Human Rights Act 1998.

## **5. Legal Implications**

- 5.1 This matter concerns an application for a premises licence under section 17 of the Licensing Act 2003 "the Act"
- 5.2 As relevant representations have been made in respect of this application and no agreement has been reached between the parties that a hearing is not required, the licensing authority must hold a hearing to consider the representations made (s.18 (3)(a) of the Act).
- 5.3 The Licensing Sub Committee must have regard to the representations and take such steps, if any, as it considers necessary for the promotion of the licensing objectives (s.18(3)(b) of the Act).
- 5.4 In accordance with s.18(4) of the Act, the steps that can be taken by the Licensing Sub Committee in dealing with this application are limited to:
  - (a) grant the premises licence, together with such modification of the conditions of the licence as considered appropriate for the promotion of the licensing objectives;
  - (b) rejection of the whole or part of the application.
- 5.5 The Licensing Sub Committee must only consider relevant representations which for the purposes of this application:
  - (a) are about the likely effect of the grant of the application on the promotion of the licensing objectives.
  - (b) are made by an interested party or responsible authority;
  - (c) have not been withdrawn; and
  - (d) are not frivolous or vexatious if made by other persons.
- 5.6 The Applicant and other persons who made relevant representations in relation to the application have a right of appeal to the Magistrates Court should they disagree with the Licensing Sub Committee's decision.

## **6. Financial Implications**

- 6.1 Fees for a premises licence are payable upon application. They are not refundable should the application be refused.
- 6.2 Should the application be refused or be granted subject to conditions; the Applicant has a right of appeal to the Magistrates' Court. Should the application be granted, with or without

conditions, then equally, the responsible authority and any other persons having made relevant representations, have a right of appeal to the Magistrates Court against the decision.

- 6.3 All appeals carry financial costs, and the Court can set whatever order it deems fit with regards to the payment of costs. The Court is, however, less likely to award costs against the Council if it is satisfied that the Council had acted honestly, reasonably and properly and on grounds which appear to be sound.

**NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK**

*Continued from previous page...*

**Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

**Documents which demonstrate entitlement to work in the UK**

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

*Continued from previous page...*

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
  - evidence of the applicant's own identity – such as a passport,
  - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
  - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
    - (i) working e.g. employment contract, wage slips, letter from the employer,
    - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
    - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
    - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

**Original documents must not be sent to licensing authorities.** If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

*Continued from previous page...*

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

#### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

FAO: Licencing Unit

To whom it may concern,  
I am writing this email to express my strong objection to the proposed 24-hour licensing of the petrol station planned at Brindley Rd, Hednesford, Cannock, WS12 4LL.  
This is located at the edge of the Cannock Chase National Landscape (formerly AONB).

My family and I are frequent users of Cannock Chase, and I am deeply concerned about the potential negative impacts that such a development could cause to the wildlife and environment.  
The continuous operation of a petrol station would firstly cause increased noise and light pollution, potentially disrupting wildlife in the vicinity.  
Secondly, increased traffic would pose a safety risk for both the wildlife and human population. The 4-way junction in which the petrol station is located is already notorious for road traffic accidents, and the 24-hour licencing would only further increase the risk. On top of this, throughout Cannock Chase, the lack of road lighting makes it hard for drivers to see wildlife, and the implementation of 24-hour licencing would only further this issue.  
Lastly, there would be an increase in anti-social behaviour with the sale of alcohol past 10pm, such as drink-driving, alcohol-induced violence and littering.

I hope that you consider the negative impacts that this proposal could have on the local area, and I would request that the licencing unit:

- Rejects the proposal for the 24-hour petrol station.
- Should the proposal go ahead, implement rules regarding the opening times and the hours in which alcohol can be sold.

I trust that you will take consideration to my concerns and act in the best interest of the local area.

Thank you,

The Licensing Unit, Cannock Chase District Council, Civic Centre, Beecroft Road, Cannock, Staffordshire, WS11 1BG

Subject: Objection to 24-Hour License Application at CONVENIENCE STORE - TOWER GARAGE

To Whom It May Concern,

I am writing to formally object to the application for a 24-hour license at CONVENIENCE STORE - TOWER GARAGE, BRINDLEY ROAD, HEDNESFORD, CANNOCK, WS12 4LL.

While I understand the need for businesses to operate and contribute to the local economy, I believe granting a 24-hour license to this establishment raises significant concerns that could adversely affect the community.

#### Concerns Regarding the 24-Hour License

- **Noise Pollution**  
Extended operating hours could lead to increased noise levels during late hours, which may disturb residents' peace and disrupt their sleep patterns. This is especially concerning for families, elderly individuals, and shift workers who require adequate rest.
- **Public Safety**  
A 24-hour operation may attract larger crowds at all hours, potentially leading to an increase in anti-social behavior, loitering, and disturbances. Without appropriate measures in place, this could escalate into a safety risk for residents.
- **Traffic and Speeding Issues**  
The increased traffic to the area, especially late at night, raises concerns about road safety. There have already been issues with speeding in the vicinity, and extended operating hours could exacerbate the problem. Patrons leaving late at night might be more inclined to speed, further endangering pedestrians and other road users.
- **Impact on Residential Area**  
The establishment's location near a residential area magnifies these concerns.

ANNEX 2

Residents should not have to endure the negative effects of such an operation, including late-night disruptions and safety risks.

- Request for Action, I urge the relevant authorities to consider the following before making a decision: Conducting a comprehensive impact assessment on noise, traffic, and safety.

Implementing strict conditions if the license is granted, such as noise restrictions, increased security, and traffic-calming measures like speed bumps or speed cameras.

Limiting the operating hours to mitigate the concerns raised.

I trust you will take these concerns seriously and prioritize the well-being of the community when evaluating this application.

Thank you for your attention to this matter. Please do not hesitate to contact me at [REDACTED] or [REDACTED], if you require further clarification or input.

Yours sincerely,

**NOTICE OF APPLICATION FOR A PREMISES LICENCE  
UNDER SECTION 17 OF LICENSING ACT 2003**

Notice is hereby given of an application made to Cannock Chase District Council.

**By:** TOWER GARAGE SERVICE STATION LTD

**For:** CONVENIENCE STORE - TOWER GARAGE,  
BRINDLEY ROAD, HEDNESFORD, CANNOCK, WS12 4LL

To allow the following licensable activities at the above named premises with effect from 18th January 2025:

1. Supply of alcohol (Off Sales)  
Monday to Sunday - 00.00hrs to 24.00hrs
2. Late Night Refreshment  
Monday to Sunday - 23.00hrs to 05.00hrs
3. Proposed Opening hours  
Monday to Sunday - 00.00hrs to 24.00hrs

There are enough ' licenced convenience stores and Supermarkets' within the district of Hednesford and adjoining areas, another one isn't required with ridiculous 24 hour opening hours.

There will be a detrimental environmental impact, - increased noise pollution, litter, customer parking, delivery vehicles obstructions posing a greater accident risk on a junction and roads that already have problems and safety issues highlighted by Police and Community Speedwatch, substantially higher levels of footfall during unsocial hours. Unwanted increased disturbance to local residents throughout the day and evening. There are many elderly, disabled and vulnerable adults within very close proximity of this site. They already have enough to contend without being disturbed further by an unwanted business.

I object to this application in it's entirety and seek to have it rejected and no consideration given to amendments. [REDACTED]

Dear Licensing Unit,

We are writing to express our strong opposition to the proposed 24-hour licensing of the petrol station planned at Brindley Rd, Hednesford, Cannock WS12 4LL.

As you may be aware, this Petrol Station and proposed development is situated right on the edge of Cannock Chase National Landscape, an area prized by residents, visitors, and wildlife for its tranquillity and unpolluted landscape.

The proposal represents a significant change from the existing building use and operating hours, which are currently Monday – Friday 9am – 5pm, and Saturday 9am – 1pm (closed on Sundays). The new proposed licensing, to open an off-license and run the facilities 24/7 (including the sale of alcohol at all hours) is of deep concern.

We would like to express our concerns about the potential adverse effects this proposed licensing development may have on the following areas:

**Noise Pollution:** The continuous operation is likely to result in increased noise levels from vehicles and patrons, disrupting the peace, especially during nighttime hours. The garage borders four homes, and is set at the end of a row of bungalows which houses our vulnerable elderly and disabled residents. Furthermore, situated on the edge of Cannock Chase, a designated National Landscape, it risks disturbing wildlife.

**Light Pollution:** Bright lighting necessary for a 24-hour facility could intrude into our homes, affecting sleep and overall well-being. As above, the garage borders four homes, and is set at the end of a row of bungalows housing vulnerable elderly and disabled residents.

**Safety Risks:** Increased traffic and activity during late hours may elevate the risk of accidents and pose safety concerns for residents, particularly children and the elderly. The four-way junction is already very busy and a spot known for car accidents. A 24-hour petrol station will only increase this risk.

**Increased Risk of Crime and public nuisance:** Extended operating hours for the sale of alcohol may lead to an increase in anti-social behaviour, public disturbances, alcohol-fuelled crimes, and littering – a particular concern due to the site's proximity to the Chase and its varied wildlife. Our residents regularly litter-pick at the entrance to the chase at the end of Tower Road and the area would be unable to cope with the increased litter that this licensing would bring. I have attached just a few photos of the litter we currently consistently have to clean up.

**Environmental Impact:** The constant operation raises concerns about potential fuel spills, increased emissions, and other environmental hazards. Situated on the edge of Cannock Chase National Landscape, it again poses risks to wildlife.

**Strain on Local Resources:** Continuous availability of alcohol may place an undue burden on local law enforcement and emergency services, impacting their ability to manage public safety effectively.

**Impact on the Local Community:** There are many local shops within a mile of this proposal already serving the community, none of which are 24-hour, including Rose Cottage convenience store at Broadhurst Green (0.1 miles away), One stop located at 4 Rosehill, Hednesford, Cannock WS12 4RT (0.6 miles away), and the new local Co-Op food, Pye Green (0.8 miles away). A 24/7 facility is not needed, and extending the licensing hours could aggravate problems in our area.

National and Local planning guidelines emphasise the importance of preserving residential amenity and minimising disturbances from commercial activities, along with protecting tranquil areas.

With this in mind, we strongly object to the 24-hour operation of the proposed petrol station and store.

We respectfully request that the Licensing Unit consider the following actions:

1. Reject the application for 24-hour operation of the proposed petrol station and store.
2. If the development proceeds, impose restrictions on operating hours to mitigate the impact on the community (e.g., limiting operations between 6 AM and 10 PM). This would be in keeping with similar conditions on stores within the area including Rose Cottage convenience store at Broadhurst Green (0.1 miles away), One stop located at 4 Rosehill, Hednesford, Cannock WS12 4RT (0.6 miles away), and the new local Co-Op food, Pye Green (0.8 miles away).

We trust that the Licensing Unit will give due consideration to our concerns and act in the best interest of the community.

Sincerely,

Scot,

**Premises Licence Application - Tower Garage, Rd, Hednesford, Cannock WS12 4LL**

**Ref: 110159**

I would like to object to the above application as I feel that a 24 hour license will encourage people to turn up by car or on foot in the middle of the night and cause excessive noise and disturbance to the local residents many of whom are elderly. Litter will also be a more pronounced problem as the location is at a high point in the area which is very windy and very close to Cannock Chase.

There is also a greater chance of crime and disorder as well as anti social behaviour with a sharp influx of new people into this quiet part of Hednesford. I would ask the committee to reject this proposal.

Subject: Opposing the proposed 24-Hour Licensing of Petrol Station at Tower Garage, Brindley Rd, Hednesford, Cannock WS12 4LL  
To: <[licensingunit@cannockchase.gov.uk](mailto:licensingunit@cannockchase.gov.uk)>

Dear Licensing Unit,

We are writing to express our strong opposition to the proposed 24-hour licensing of the petrol station planned at Brindley Rd, Hednesford, Cannock WS12 4LL, situated on the edge of Cannock Chase, a designated National Landscape.

Areas of Outstanding Natural Beauty were re-branded as National Landscapes in 2023. National Landscapes (along with National Parks) are the nation's finest landscapes, whose breath-taking beauty is so precious that they are protected in the national interest. There are just 34 National Landscapes in England, five in Wales and eight in Northern Ireland. Cannock Chase was designated an AONB in 1958 because of its beautiful landscape, its wildlife and its history.

As a frequent user of Cannock Chase, we are deeply concerned about the potential adverse effects this development may have on the following areas:

**Noise Pollution:** The continuous operation is likely to result in increased noise levels from vehicles and patrons, disrupting the peace, especially during nighttime hours. Situated on the edge of Cannock Chase, a designated National Landscape, it risks disturbing wildlife.

**Environmental Impact:** The constant operation raises concerns about potential fuel spills, increased emissions, and other environmental hazards. Situated on the edge of Cannock Chase National Landscape, it again poses risks to wildlife.

**Safety Risks:** Increased traffic and activity during late hours may elevate the risk of accidents and pose safety concerns for a variety of wildlife, including deer. The fourway junction is already very busy and a spot known for accidents. A 24-hour facility will only increase this risk.

**Increased Risk of Crime and public nuisance:** Extended operating hours for the sale of alcohol could aggravate problems in the area including dangerous driving, antisocial behaviour, public disturbances, alcohol-fuelled crimes, and littering a particular concern due to the sites proximity to the Chase and its varied wildlife.

Studies have shown that 24-hour petrol stations can lead to increased noise and light pollution. The light pollution will have a direct effect on Cannock Chase National Landscape's nature and its abundance of wildlife, next to which this proposal is situated.

ANNEX 3

National and Local planning guidelines emphasise the importance of preserving residential amenity and minimising disturbances from commercial activities, along with protecting tranquil areas. Cannock Chase is prized by residents, visitors, and wildlife for its tranquillity and unpolluted landscape.

Call to Action: We respectfully request that the Licensing Unit consider the following actions:

1. Reject the application for 24-hour operation of the proposed petrol station and store.
2. If the development proceeds, impose restrictions on operating hours to mitigate the impact on the community (e.g., limiting operations between 6 AM and 10 PM). This would be in keeping with similar conditions on stores within the area including Rose Cottage convenience store at Broadhurst Green (0.1 miles away), One stop located at 4 Rosehill, Hednesford, Cannock WS12 4RT (0.6 miles away), and the new local Co-Op food, Pye Green (0.8 miles away).

We trust that the Licensing Unit will give due consideration to our concerns and act in the best interest of the community.

Sincerely,

①

Dear Licensing Unit.

We live at the above <sup>POST ROOM</sup> address which is adjacent to the Tower Garage, Petrol Station. We would like to add a bit more information to the accompanying letter.

"Increased Risk of Crime and Public Nuisance"

In front of the Tower Garage there is a very low wall which is ideal for sitting on. If alcohol is available 24/7, youths would be gathering here at night time to drink as would the 'boy racers'. There would be shouting, swearing, running on gardens, urinating on the gardens or up the fencing.

The residents in Bundley Road which are all QAPs would find it

② very intimidating if they <sup>had to</sup> walk past these gathering of mainly young men drinking alcohol.  
If alcohol is available 24/7 when will we be able to rest and get any sleep with all the nuisance going on outside our premises.

Cannock Chase, on AONB and alcohol available 24/7, not a good thing, except for the people selling the alcohol.

This letter opposing the 24 hour licensing for CONVENIENCE STORE, TOWER GARAGE, BRINDLEY ROAD, HEDNESFORD, CANNOCK, STAFFS NS12 4LL, to be read along with the main letter of opposition.  
Thank you.

Mine Sincerely

Dear Sirs

I am writing to express my concerns over the planning application for a 24 hour licence at Tames Garage, Pye Green Road WS12 4LL.

I am sure that having a shop at the petrol station will be of potential benefit to some, especially the less mobile in the burglands. However, the dangers of this proposal for many residents will outweigh the benefits of serving alcohol to a few.

In the summer, less desirable characters will be more easily able to purchase alcohol to consume on Cannock Chase natural landscape, leaving litter, terrorising others trying to use the park with their families, and massively increasing the risk of fire. Does CCDC have a response to this?

Also it is a tricky junction, there are regular bus services, and more stop/start traffic would

worsen the junction.

I would suggest that the committee would reduce the proposed hours to 6am - 10pm - as the local co-op, Spar + other small shops in the area, which would be fair and reasonable.

Thank you for considering our views

Yours faithfully

Dear Licensing Unit,

We are writing to express our strong opposition to the proposed 24-hour licensing of the petrol station planned at Brindley Rd, Hednesford, Cannock WS12 4LL. Our community is deeply concerned about the potential adverse effects this development may have on the following areas:

**Noise Pollution:** The continuous operation is likely to result in increased noise levels from vehicles and patrons, disrupting the peace, especially during nighttime hours. Furthermore, situated on the edge of Cannock Chase, a designated National Landscape, it risks disturbing wildlife.

**Light Pollution:** Bright lighting necessary for a 24-hour facility could intrude into our homes, affecting sleep and overall well-being.

**Safety Risks:** Increased traffic and activity during late hours may elevate the risk of accidents and pose safety concerns for residents, particularly children and the elderly. The four-way junction is already very busy and a spot known for car accidents. A 24-hour petrol station will only increase this risk.

PETITION TO STOP THE OPENING OF [REDACTED] AT TOWER GARAGE, BRINDLEY ROAD, HEDNESFORD, CANNOCK. WS12 4LL.

We, the undersigned, oppose the opening of [REDACTED] at the above address as we have three local shops within a mile radius. [REDACTED] it will create noise pollution and high amounts of traffic, which can cause more accidents at an already busy junction.
