## 3. **Maintenance and Good Order**

3.1 During the Hire Period, the Hirer shall be responsible for:

- (a) maintaining good order during the Function and be responsible for removing any person whose behaviour is undesirable using SIA staff;
- (b) the effective administration, organisation and running of the Function;
- (c) the efficient supervision of the Premises and the use of any equipment;

3.2 The Hirer shall ensure that the Premises are left in a clean and tidy condition with all refuse, goods and equipment removed. If, after the Hire Period, the Premises are not fit for use due to the negligence of the Hirer, the Hirer will be responsible for the loss of any hire charges and other costs (for example, charges for rubbish removal) incurred by the Council due to the Premises not being in a fit state for other functions to proceed or allow the site to be used as public open space.

## 4. **Payment of Hire Charges**

4.1 The Hirer shall pay to the Council the 25% deposit (as specified on the Booking Form) in full upon submitting the Booking Form for the hire of the Premises. The remainder of the hire fee is payable by the Hirer within 14 days of the date of the Council's invoice.

4.2 Where the balance of the hire fee remains unpaid 21 days or more after the date of the Council's invoice, the Council may cancel the booking, retain the deposit already paid and recover the balance of monies payable by the Hirer as though it were a cancellation by the Hirer.

4.3 Hire fees shall be in accordance with the Council's current scale of fees and charges at the time of the event, as are from time to time fixed by the Council and the Council reserves the right to vary its charges without notice.

## 5. **Cancellation**

5.1 The Council reserves the right to cancel a hire booking at any time, without incurring any liability whatsoever, but will give the Hirer as much notice as possible in the following circumstances:

- a) If the Premises are required for use in parliamentary, European, county, borough or parish council elections or a civic event of local or national importance; or
- b) If, in the opinion of the Council, the hire event should not take place by reason of a local or national emergency.

The Hirer is advised to insure against any loss and/or expense that may be incurred as a result of such a cancellation by the Council.

- 5.2 In the event of the Council cancelling a hire arrangement in accordance with clause 5.1 above, a full refund of any monies already paid shall be issued to the Hirer.
- 5.3 The Council is entitled to cancel or terminate any hire arrangement without incurring any liability if:
  - a) if the Premises are hired or used for any purpose which the Council has not approved; or
  - b) if there is any breach by the Hirer of these terms and conditions, including the Hirer failing to pay the hire fees on time; or
  - c) if the Hirer commits an infringement of the law or licensing regulations.
  - d) on the recommendation of the SAG that the event should not go ahead

In the event of a cancellation under this clause 5.3, all fees and charges paid to the Council shall be forfeited and the Hirer shall be liable to the Council for any costs, expenses and losses incurred by the Council.

- 5.4 Any cancellation by the Hirer must be made in writing to the Council not less than 14 calendar days before the commencement of the Hire Period. In the event that the requisite notice is not given by the Hirer, then the Hirer shall be liable for payment of the hire fees as follows:
  - a) Less than 14 days notice = payment of 50% of the full hire fee
  - b) Less than 7 days notice = payment of 100% of the full hire fee

Cancellation by the Hirer under this clause 5.4 shall result in the Hirer being liable for payment of the deposit, if not already paid in accordance with 4.1, or, if the deposit has already been paid in full, it shall be forfeit.

- 5.5 For the avoidance of doubt, no liability shall fall upon the Council or any officer of the Council in respect of any loss sustained, or expense incurred by the Hirer or any other person as a result of the hire arrangement being cancelled by the Hirer under clause 5.4.
- 5.6 Where the Parks and Open Spaces Manager reasonably believes that the hire of the Premises will injure or is likely to injure the reputation of the Council or offends against any statute or regulation binding upon the Council he may, without further liability and at his absolute discretion, terminate the booking immediately upon written notice to the Hirer, e.g. failure to supply details of electrical installations, traffic management plans, appropriate premise PRSPP licences etc.

## 6. Damage Loss and Accident

- 6.1 The Hirer shall pay to the Council the amount incurred by the Council in making good any damage to or loss of the location, building, furniture, carpets, furnishings, fixtures and fittings or any article or equipment belonging to the Council arising directly or indirectly out of the hiring of the Premises to the Hirer.

- 6.2 The Hirer shall indemnify, and keep indemnified, the Council, its officers, contractors and agents in full against all actions, claims, costs, proceedings, expenses, damages, demands and losses made against the Council and arising out of or in any way connected to the hiring of the Premises to the extent that the claim is attributable to the acts or omissions of the Hirer.
- 6.3 The Hirer hereby undertakes with the Council to comply with all relevant statutory provisions, and regulations at the time in force, in addition to these terms and conditions and any instructions given to him/her by the Parks and Open Spaces Manager or any Council employee.
- 6.4 The Council will not be liable for any loss occasioned to the Hirer as a result of the breakdown of equipment, a failure in the supply of electricity, a leakage or penetration of water, a fire or explosion, a government restriction or an act of God which may cause the Premises to be temporarily closed or the hiring to be interrupted, curtailed or cancelled.
- 6.5 Items of value are brought onto the Premises at the owner's own risk. The Council and the Parks and Open Spaces Manager shall not be responsible for any loss of or damage to valuables brought onto the Premises.

## **7. Permitted Numbers**

The maximum number of persons to be allowed admission to the event will be on the hirers insurance document and the Hirer shall ensure that these numbers are not exceeded. If the permitted numbers are exceeded, the Parks and Open Spaces Manager or his appointed staff may cancel or terminate the Function without any liability whatsoever to the Council.

## **8. Insurance and Health & Safety**

- 8.1 No decorations, flags, emblems, gas-filled balloons, streamers or confetti will be permitted either externally or internally without the previous consent in writing of the Parks and Open Spaces Manager. Where such consent is given, it will be conditional on the use of non-inflammable material or material treated with an approved fireproofing substance.
- 8.2 If the Council's insurance company requires the Council to pay an additional premium because of special risk created in connection with the Function, the Hirer shall pay to the Council the sum of the additional premium upon request. Failure to pay the premium in full before the date of the Hire Period will result in the booking being cancelled in accordance with clause 5.3(b).
- 8.3 The Hirer must submit to the Council a full and competent risk assessment and method statement covering activities taking place within the Premises. The Council will provide an outline of the Hirer's responsibilities relating to good working practice in all health and safety matters.
- 8.4 It is a legal requirement that any electrical equipment used outside the home is tested to ensure it is safe to use. Any electrical equipment the Hirer brings into the venue must be tested in accordance with and comply with the law, and any regulations made therein. Where the Hirer hires any electrical equipment from a hire company then the relevant certificate must be obtained. The Council reserves the right to inspect these certificates and also the right to refuse the use of such equipment if it is not satisfied with its documentation or condition. This clause 8.4 applies to all electrical equipment, whether mains operated or not. Adequate fire risk assessments must be completed as part of this application or submitted 28 days before the event.

- 8.5 No alterations or additions to the existing lighting arrangements, heating, power or other electrical fittings or appliances or connection to the electrical installations shall be made under any circumstances.
- 8.6 The Council's public liability insurance only extends to incidents and events for which it is proved the Council is directly responsible. It does NOT automatically provide cover for any incidents or events for which the Hirer may be held responsible.
- 8.7 If an incident occurs during the Hire Period, which is later deemed to be due to the Hirer's negligence, the Hirer will be held liable for damages. Consequently, in order to give hirers a reasonable level of protection it is a condition of hire that the Hirer arranges an appropriate level of public liability insurance with a minimum indemnity of £5,000,000 in relation to any one claim or series of claims.
- 8.8 The Hirer must provide a copy of their certificate of insurance with the Booking Form.

## **9. Permissions and Consents**

It is the responsibility of the Hirer to obtain any licence, authority or consent to ensure that the Function is held lawfully. Evidence of permission or consent must be made available to the Parks and Open Spaces Manager at least 28 days before the commencement of the Function. No alcohol licences will be issued in accordance with the Licensing Act 2003 unless a Designated Premises Supervisor is clearly identified in the application and will be subject to DPS Guidance.

## **10. Safeguarding**

It is the responsibility of the Hirer to ensure that all relevant legislation and best practise is followed and complied with in regard to the protection of children and vulnerable adults. The Council will ask to see, where necessary, the protection policies of the Hirer. If, at any point, the Council has concerns regarding the protection of children and/or vulnerable adults, it will be reported in accordance with the Council's child/vulnerable adult protection policy.

## **11. Parking**

- 11.1 During the Hire Period only, vehicles are permitted to park within the parking area at the Premises.
- 11.2 Under no circumstances will the Council accept any responsibility for damage to any car or other vehicle, which in connection with the Function, is brought or left within the precincts of the Premises. Vehicles are not to cause obstruction to fire escape routes.
- 11.3 Most Council sites will not sustain parking for users and a traffic management plan will be required where large numbers are anticipated.

## **12. Refreshment and Catering**

- 12.1 Where existing Council Catering Outlets are in operation, any food types must be approved at the time of booking. No catering offer must be in direct competition of council operated caterers/concessions.
- 12.2 Where a Council approved street trader / concession is in operation; the Council's approved operator must be offered the opportunity to partake in the event.

## **13. Restrictions on the Event**

Any such work undertaken will be recharged to the Event Organiser in addition to the booking fee.
