Proposed Housing Development on Land East of Wimblebury Road at Bleak House

I object to the building of 400 houses on Wimblebury Road.

My reasons are:

The land is greenbelt within the Cannock Chase area. Cannock Chase is a designated AONB. The site itself, farmland with some rewilded previously industrial land, is home to a rich ecosystem which extends beyond the headline birds of prey and larger mammals. That said, it was particularly sad to see deer displaced from their land near Chasewater, just down the road, as a result of recent housebuilding. (Hence the flurry of Deer Crossing signs on local lampposts.)

I visit the area often with my primary school grandsons and I volunteer at their school. I know that local schools are oversubscribed. Kingsmead is the most oversubscribed secondary school in the County. Existing schools could not cope with the influx of many new pupils.

The Wimblebury Road is a fairly narrow single carriageway which snarls up easily at rush hour times and particularly in the event of a breakdown, roadworks or RTC. Obstruction on the road has a knock on effect on traffic on nearby roads around Wimblebury and Five Ways. The extra traffic from 400 dwellings would be likely to provoke more jams and longer delays.

My daughter & son-in-law were attracted to Wimblebury because house prices were lower than in more urban districts, but they quickly fell in love with the natural beauty of the area on their doorstep. I understand that. Like them, I understand the need for housing, especially social housing, to accommodate a growing population. Brown field sites are more costly to develop and greenfield offers more profit, especially if the cost of providing other infrastructure development - schools, surgeries, community spaces, waste water disposal, effective transport links etc – is minimised or avoided.

Yes, more houses are needed. But not here, and not this scheme.

Q5. Please set out the modification(s) you consider necessary to make the Cannock Chase Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at Q4 above.

Please note that non-compliance with the duty to co-operate is incapable of modification at examination. You will need to say why each modification will make the Regulation 19: Pre-Submission Draft of the Cannock Chase Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.
