

Collect a blank map
from Rugeley Library or
the Rugeley Park Keeper

1. Find the tree trunk on the island where the terrapins bask on during the day (marked on the map with ⊗)
2. There are dead trees in Elmore Park that Cannock Chase Council have Castellated at the top for bats to roost in at night. Find them and mark them on the map.
3. Mark on the map where you like to spend your time and draw on it what you like doing.

Please send a photo of your picture to lynnevans@cannockchasedc.gov.uk;
the pictures will be put in an album on Facebook Page 'Friends of Elmore Park'
