

Summer of Sports Challenge

 McArthurGlen Designer Outlet,
Cannock, WS11 7JZ

Head on down to McArthurGlen Designer Outlet this summer and see what poetic magic awaits you!

The Centre has joined forces with Cannock Chase Council, Pep the Poet and local artist Ruth Allen to try and encourage families and children to take up new sports.

There are 10 QR codes hidden around the Centre. Each represents a different sport which have been brought to life with poetry and illustration.

Find all 10 to complete the challenge. Collect a free book from Guest Services when you have completed the challenge.

Which sport will you try this summer?
