**Q4. Please give details of why you consider the Cannock Chase Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.**

If you wish to support the legal compliance or soundness of the Cannock Chase Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

This is ref land south of the land East of Wimblebury Road at Bleak House.

The roads and facilities around Heath Hayes are already stretched to the limit. The five-ways island will not cope with the extra traffic this would add. The added pollution to the area and for the children would be unsustainable.

The infrastructure is not there in Heath Hayes, we would need a lot more in place in order to even consider extra housing.

The relief road only goes up to the skoda garage island as Burntwood, this would be where the new bottleneck would occur therefore not achieving anything.

Heath Hayes is already grinding to a halt and despite reading through all the proposal, I do not see what building on this land is going to achieve.

You will need to say why each modification will make the Regulation 19: Pre-Submission Draft of the Cannock Chase Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.
