Our design at Cannock Park ensures that users of all ages and abilities can play together!

# Play Equipment

Equality in play

## Cannock Mining History

We have designed a sandpit with ramp to allow all users to develop their sensory stimulation and creativity.

## Cannock Chase Birch Forest

Bespoke Multi unit with climbing play & ramp that offers varied opportunities for fun for all.

## Accessible Low-level play

An area with non-transferable equipment for wheelchairs and sensitive users.

Accessible & Inclusive playground design

Read more about inclusive playgrounds with KOMPAN'S Play Institute Whitepaper on Play for all equipment.

## Get Around

Accessible path to with featured entrance. Internal coloured wet pour path to guide users around equipment.

## Stay

Colour codes zones areas per activity & themes.

## Play

Varied play options with marked functionalities.

## Swinging

Trains spatial awareness as well as the sense of balance. Different type of seating and lying options with friends and carers.

## WWI Training Camps

A physical challenge. Thrilling & physical elements are located within the main entrance to reduce the distance to the fun parts for less able users.

## Make Space for Girls

Swinging and getting together facing each other with the 5 way swing. Cableway is must-have and less risky, so anyone can feel the thrill of gliding.
