Q4. Please give details of why you consider the Cannock Chase Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Cannock Chase Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

I do not believe local residents have ~~not~~ been given sufficient information or time to voice their objections to this plan. Sufficient consideration has not been given to the massive impact this will have on the local communities. This area is well populated by deer and I believe this plan will have a massive impact on their habitat. I thought we were supposed to do our utmost to protect them on the green belt areas.

Our area is already the most populated in Staffordshire per square mile.

People from the local area will not be able to afford those planned properties

Q5. Please set out the modification(s) you consider necessary to make the Cannock Chase Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at Q4 above.

Please note that non-compliance with the duty to co-operate is incapable of modification at examination. You will need to say why each modification will make the Regulation 19: Pre-Submission Draft of the Cannock Chase Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Each household affected by the plan and the effect of the community should be individually contacted to make them individually aware.

Each household should be given the chance to object to the removal of green belt areas.

The current GP practices cannot cope with the current level of people in this area

The road system in the area is grid locked and cannot cope with the current amount of traffic. The roads are already suffering due to the high levels of traffic

All local schools are already full and are turning away new people to the area.

On previous application for Hawke Green School should have been built and was not.

Please note: In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues they identify for examination.

Q6. If your representation is seeking a modification to the Regulation 19: Pre-Submission Draft of the Cannock Chase Local Plan, do you consider it necessary to participate in examination hearing session(s)?

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

No, I do not wish to participate in hearing session(s)

Yes, I wish to participate in hearing session(s)

(Please tick one box)

Q7. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

We want to see transparency and do not want such decisions by the Council to be made behind closed doors.

(Please continue on a separate sheet if necessary)

Please note: The Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.
