Q4. Please give details of why you consider the Cannock Chase Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Cannock Chase Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

The Land to the south of the Lichfield Road in Heath Hayes is completely unsuitable for a housing estate development. This is greenbelt land in an historic area once known as Spring Valley.

This development would extend the village from its traditional boundaries and along with the other proposed development, would completely surround the village of Heath Hayes. The triangular shape of the village needs to be protected and conserved.

The proposed site is farm land, containing a variety of wildlife and flora. It is used regularly by deer which are able to roam freely. Their environment has been impacted greatly so this area is vital to their survival and welfare.

Greenbelt land must not be used for development. There is precious little land left and it will be lost forever if we desicrate it with more houses.

The roads cannot cope with the increased traffic as it is. Pollution is also another factor.

Cannock Chase has always comprised of separate villages. We cannot become a vast urban sprawl. We need to preserve our identity.

Even though a 'relief' road has been planned, it will still lead on to already clogged roads, thus adding to an increasingly exacerbated traffic problem.

Q5. Please set out the modification(s) you consider necessary to make the Cannock Chase Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at Q4 above.

Please note that non-compliance with the duty to co-operate is incapable of modification at examination. You will need to say why each modification will make the Regulation 19: Pre-Submission Draft of the Cannock Chase Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Could we not convert the farm land to a wind farm or a solar farm.
